Thanks,

On January 30, 2019, Olympic Autos, NED, SLOs, DOT Parking Enforcement, Transit Services Division, CD 10, Office of the City Attorney Neighborhood Prosecutors, Animal Services, Wilshire BID, and KYCC will be conducting an operation at the NWC City Lot at 6th and Vermont. I am requesting your unit's support along with Sanitation resources to post the lot for clean up and to warn the homeless of 56.11 LAMC. Additionally, I would like your unit to also provide your standard resource card to the homeless at the lot and in the surrounding areas.

On that day, Parking Enforcement will be impounding all the vehicle's parked in violation of the posted no parking signs between 0300 and 0600 hours. We hope your unit can warn the homeless in the morning prior to the NED operation of 56.11 and standby later to re-enter the lot as a rear guard. Olympic NED will conduct surveillance and make drug arrests. Transit Services will be conduct operations nearby. SLOs and detectives will detain all suspects and do all the transportation and booking of the arrestees. Your unit will be a rear guard and bring in sanitation resources to clean the lot. Animal Services will take the suspect's unlicensed dog (Chihuahua). KYCC will conduct graffiti removal and small debris cleaning. I know you have scheduled cleanups for Olympic on Thursday, but can you make an exception and change your clean up for the 30th (Wednesday). Our new captain (Patricia Sandoval) requesting a cleanup during the extraction period before Compstat. If you have any questions please call me at (213) 598-0477. (P.S. I believe we can be in and out of the lot in 1 hours including the clean up).

We will be having a logistics meeting prior to the operation.
